25th May 2016

Dear Parents

We are coming to the last visits in our comprehensive and varied programme of educational enrichment this year for Year 1 children. Tomorrow Class 1P children visit the Unicorn Theatre to watch a performance of Septimus Bean and his Amazing Machine and after the half term break Class 1B visit on 10th June. On 9th June, Andrew Smith and his minibeast workshop visits school to work with Year 1, when children get the opportunity of meeting the animals at very close quarters.

This Science focus of mini beasts and their habitats will also be supported by a visit to the Environmental Curriculum Centre on 30th June.

We cannot stress enough how much we seek your financial help to help pay for the educational visit programme this year. Children in Year 1 have been to the Heritage Centre, had the Dulwich Picture Gallery artists working with them in school, visited the Horniman Museum and Aquarium, visited Natural History Museum, and will visit the Unicorn Theatre and the Environmental Curriculum Centre. At each Museum attended, workshops have been booked– all of which have been payable. Such an extensive enrichment programme has been very expensive and your financial support is requested to help pay for such a wide ranging programme.

If you have paid your contribution towards the cost of the educational visits programme, we thank you. If you have yet to pay, please do so as soon as possible; the annual cost is £39, broken down into a cost of £13 per term. Our preferred method of payment is the online scheme AGORA, however if you prefer, cheques should be made out to Deansfield Primary School. If you are unsure of your position, please contact the school office who will be happy to advise you. We thank you for your support.

Yours sincerely

Mrs J Gordon
