

# FRIDAY FLYER

Edition no.711

Deansfield Primary School

Dear Parents and Carers  
The week started off with a focus on animals, a lady from STEM (further information in the next column) took the assembly followed by a workshop from the Dogs Trust in the afternoon.

The book fair was a huge success, thank you for your support. It is so important for children's development to read at home as well as at school. Deansfield has also earned some commission to spend on books and resources for the classrooms.

Thank you for supporting the Year 2 cake sale, they raised just over £300 to spend in the classroom.

I hope you are looking forward to the DPA quiz tonight, I'm disappointed that I'm not able to join you,

Year 5 are super excited about their school journey next week. We wish them a safe journey and lots of fun and laughter.

Have a lovely weekend.

Clara Daly, Head of School

Assembly on Monday was led by a STEM Ambassador. STEM Ambassadors are volunteers from a wide range of science, technology, engineering and mathematics (STEM) related jobs and disciplines across the UK. They offer their time and enthusiasm to help bring STEM subjects to life and demonstrate the value of them in life and careers. Connor in 4C said, "she brought in animals and told us about the different sounds the animals make and how they navigate around. She brought a gecko in to show how they can stick to trees and other objects".

## Dogs Trust Workshop for Years 1 & 2

The Dogs Trust was founded in 1891 and is the largest dog welfare charity in the UK

## Compass News

### **School Focus: South Rise**

Last week at South Rise, our Year 3 children visited the Transport Museum in Covent Garden. The trip was planned to support their unit of learning 'On the Move' which focuses on different transport systems and how they are developed based on the needs of a community. The children travelled into London by train, which they found incredibly exciting in itself! The museum was very engaging and the children were fascinated to find out about vehicles from ancient times to modern day. They were very surprised to see that London taxis haven't changed much over the years!

Our Nursery children also visited the local fire station this week. They were very excited to sit inside a fire engine and loved watching the firemen sliding down the pole on their way to an 'emergency'.

Red Nose Day was also a huge success. Children wore an item of red clothes and had their nose painted for the day. The school manage to raise approximately £650 which is a phenomenal amount.

# RE-LAUNCH EVENT

## FREE ENTRY!

**MONDAY 8 APRIL 2019**  
4:30pm - 8:00pm

- > Live DJs - with opportunity to learn DJ skills
- > Games including table tennis, pool, PS4 with FIFA 19, Wii & board games
