

Friday Flier

Friday Flier Number 648 7th July 2017 <http://www.deansfield.greenwich.sch.uk/>

Year 5 rounded off their visits this week with trips to **Eltham Palace**. The fo-

cus for this visit was to complete the children's ge-

ography topic of contrasting localities,

between Eltham and Swa-

nage, whilst enjoying the facilities that Eltham Palace offers. Both teachers and children told us how successful these visits have been, and children have carried out some wonderful sketching.

Children in the Choir travelled to **Birmingham** this week to perform in the **National Music for Youth event**.

Thank you so much to the many parents who accompanied the children. For those who did attend you will know how wonderfully the children performed, and enjoyed the other choirs performances, as overall the standard was so high. Thank you for your support and the hard work and commitment of everyone involved in such a superb performance.

It was good to meet all our **new parents** this week whose child is starting Reception class with us in

September. We hope you enjoyed the Open Morning on Wednesday and found it informative. If you have any further queries, please contact the school office. If you have a uniform order to make, please bring it to the office as soon as possible so that we can put this together for you.

For our children already in school, if parents require **Uniform for next year**, please make your orders now, using **AGORA**, whilst we have stock of all sizes and items available.

Tom, one of our Piano Tutors, hosted a **Piano Concert** for parents this afternoon so that some of his pupils who have been learning longest could display their talent to their mums and dads. We hope you enjoyed it.

Snapchat: the obvious benefits of the Internet are enormous, but there are also obvious concerns over the use of some aspects of social media. It has come to our notice this week that Snapchat has introduced a new feature called **Snapmap** which allows people to browse a map of photos and videos which have been shared publicly. It also lets people share their exact location with those they have added as 'friends' in the app. Please follow this link

to find out more.

We have some particularly good news for you. We have a **new Lollipop person starting at Deansfield**. His name is Michael Price and he will start at Deansfield on Wednesday 19th July. Please say hello when you meet him. A neighbour also asked if parents could be reminded to park responsibly & not to leave engines running. Many thanks for your support.

Maths Challenge! Last week's puzzle was:

Party Time! Several people of different ages brought things for the party: Charlie, who's 12, brought the POTATO CRISPS. Wayne brought the FIZZY LEMONADE (he's 13). Helen (11) brought the PAPER PLATES, and her brother Peter (9) brought the PAPER CUPS. Sheila is the same age as Charlie: she brought the PARTY POPPERS. Young Horace brought the PEANUTS: how old is he? Have a great party!

Our solution is: 7 (Count the letters!)

This week's puzzle is: There are 5 ships in a port:

1. The Greek ship leaves at six and carries coffee.
2. The Ship in the middle has a black chimney.
3. The English ship leaves at nine.
4. The French ship with blue chimney is to the left of a ship that carries coffee.
5. To the right of the ship carrying cocoa is a ship going to Marseille.
6. The Brazilian ship is heading for Manila.
7. Next to the ship carrying rice is a ship with a green chimney.
8. A ship going to Genoa leaves at five.
9. The Spanish ship leaves at seven and is to the right of the ship going to Marseille.
10. The ship with a red chimney goes to Hamburg.
11. Next to the ship leaving at seven is a ship with a white chimney.
12. The ship on the border carries corn.
13. The ship with a black chimney leaves at eight.
14. The ship carrying corn is anchored next to the ship carrying rice.
15. The ship to Hamburg leaves at six.

Which ship goes to Port Said? Which ship carries tea?

(Note: 'to the right' means anywhere on the right side from the given point, not only right next to. Likewise for left.)

This will get the brain cells in action! Please look out for the solution next week.

Assembly: Thank you **Class 5Q** for your Assembly this morning. Children are fully aware how to keep themselves physically healthy but Year 5 have been thinking how

to keep mentally healthy too. Their

Assembly definitely gave children (and adults) food for thought!

Thank you Class 5Q for a very informative assembly. Look out for year 2 Assembly next week.
