Confirmed case of Covid-19 at Deansfield Primary School

18th November 2020

Dear Parents and Carers,

I am writing to inform you that we have had a confirmed case of COVID-19 (coronavirus) reported for a child who attends our school in Year 5, the child is now at home self-isolating.

We have been in communication with our local health protection team, in accordance with government guidance, who have advised which children and staff members need to stay at home to self-isolate for 14 days. We have contacted the families of those children who are affected by this.

The Year 5 bubble will return to school on Thursday 3rd December 2020.

We will remain in contact with families and any affected staff members throughout this period and support them as needed. Online learning and communication with their teachers will continue through Google Classroom.

Due to our continual separation of our Year group bubbles, **all children from the other year groups can come into school, as normal, tomorrow.**

Please do not hesitate to contact us if you have any questions or concerns.

All the best to you and your families.

Clara Daly
